SEC	TION III - CONDITIONS THAT TRI	GGER ELIGIBILITY TO CH	HANGE	COVERAGE								
8. I A	8. I AM REQUESTING A CHANGE IN COVERAGE BASED ON: (X all that apply)											
	<b>MARRIAGE.</b> A member, who does not have a spouse at the time of initial eligibility, may provide SBP for the first spouse acquired after retirement by electing coverage before the first anniversary of that marriage. Coverage and cost begin on the first anniversary of the marriage (coverage begins immediately upon the birth of a child to the member and spouse beneficiary).											
	<b>REMARRIAGE.</b> A member whose spouse coverage is suspended due to death of the spouse or divorce, has three options upon remarriage (choose one option only by placing an X in the appropriate block):											
	(1) Resume existing level of coverage for my new spouse (X appropriate block in Section IV);											
	(2) Increase existing level of coverage - up to full retired pay (Complete Section IV);											
	(3) Not resume any SBP coverage for my new spouse (Complete Sections VI and VII).											
	The following additional option is available for members who have former spouse coverage, who remarry and the member is allowed to discontinue that coverage:											
	(4) Select coverage for my new spouse if my current coverage is former spouse coverage (Complete Section IV).											
	NOTE: An election in Section V which increases my initial level of coverage will result in an amount owed that is equal to the difference between the amount of SBP costs that would have been incurred if the new level of coverage had originally been elected and the amount of SBP costs that I have incurred to date, plus interest. I understand that payment of the amount owed must be made prior to the first anniversary of the remarriage. I also understand that although this election must be submitted within the first year of marriage, my new spouse will not be an eligible SBP beneficiary until the first anniversary of our marriage (or upon the birth of our child born after the date of our marriage, if earlier). My failure to notify DFAS or the PHS payroll office, as appropriate, of my SBP decision will result in automatic coverage at the previous level and a debt for monthly premiums will accrue beginning upon the first anniversary of our marriage. In the event of my death, payment of the monthly premium debt must be completed before my spouse will receive payment of the SBP annuity.											
	<b>ACQUIRING A DEPENDENT CHILD.</b> A member who does not have a dependent child at the time of initial eligibility for SBP may elect coverage for a dependent child within the one-year period after acquiring the first dependent child.											
	<b>DIVORCE.</b> A member with spouse coverage who divorces, AND who does not elect former spouse coverage, is automatically in a "Suspended Coverage" status. To elect former spouse coverage, submit DD Form 2656-1, "Former Spouse Election Certificate".											
	<b>DEATH OF SPOUSE.</b> A member with spouse coverage, who subsequently loses that spouse to death, must select "Suspend Coverage" in Section IV. Reminder: Death does not permanently terminate SBP spouse coverage. Coverage and costs are simply suspended pending											

**NOTE:** If either "Divorce" or "Death of Spouse" is selected, and the member had previously elected spouse and child coverage, the coverage would convert to "Child Only" coverage if the member has an eligible child. Exception: In the event of divorce and the member is required to provide former spouse coverage.

Your covered spouse beneficiary will receive an annuity that will pay 55 percent of the level of coverage you select until their age 62 and will pay between 45 to 50 percent during the phase-out of the two-tier method (October 2005 - March 2008). Effective April 1, 2008, the annuity regardless of age will be 55 percent of the level of coverage selected. The annuity paid to a child or children totals 55 percent (divided in equal shares). Children annuities are payable to children who are: under age 18; or under age 22 if full time, unmarried students; or any age if disabled and incapable of self-support before 18 (or 22, if while a full time student).
