What is AF COOL?

Air Force Credentialing Opportunities On-Line or AF COOL is a National Defense Authorization Act (NDAA) and White House driven program designed to assist Airmen in advancing their military careers, as well as, within the civilian sector. AF COOL matches enlisted Airmen to within 80% with civilian recognized credentials and licensures based on the member's Primary Air Force Specialty Code (AFSC).

Senior Enlisted Members within the grades of E-7 and above are eligible for additional leadership and management credentials regardless of their Primary AFSC. Select "AF COOL Leadership" on the AF COOL Search Credential Screen for more information.

Air National Guard Air Force Reserve

Air National Guard and Air Force Reserve members are eligible to utilize AF COOL as long as they are on U.S. Title 10 or 32 (502)F Active Orders. The member **must** complete all phases of the credential (i.e. Funding Request, Funding for Exam, Taking the Exam) prior to orders expiring. All orders must be current and in the member's Digital File Folder (DFF) on their AFVEC account. The member's Activated End Date in AFVEC **must** also match the entire length of the orders.
