**The Military Equal Opportunity (MEO) program manages the discrimination complaint system as it relates to RACE, RELIGION, COLOR, NATIONAL ORIGIN, GENDER, and HARRASMENT (Sexual and Non-Sexual).**

All individuals are entitled to be treated fairly and work in an environment free from discriminatory practices. EO policy applies at all times, on and off duty.

If you have questions, or believe you have been discriminated against, contact your unit Equal Opportunity Leader (EOL), Brigade Equal Opportunity Advisor (EOA), or the State EO team.
