NATURE AND SCOPE OF WORK

Under direct supervision of the Decon and Mitigation Team Leader, Disinfection Technician work includes, but is not limited to, operating CURIS disinfection equipment, swabbing for signs of microbial life with the Hygiena meter. Technicians will operate the equipment on IPAD based command system. Technicians will conduct data input using Excel. Technicians must be able to learn the basic principles of infection control and answer questions on these principles. Technicians also perform with minimal oversight in small teams. Due to hazardous materials used, technicians must qualify as hazmat operators and pass a mask fit test.

KNOWLEDGE, SKILLS AND ABILITY

- Knowledge of basic math
- Knowledge of Excel
- Ability to pass mask fit test
- Ability to achieve Hazmat operator certification
- Ability to operate IPAD
- Ability to learn about infectious control
- Have Driver’s license
- Must have ability to learn, understand, and implement fundamentals of infection control
- Must learn, understand, and implement fundamentals of PPE
TRAINING AND EXPERIENCE

TRAINING: High School graduation or equivalent and have had IICRC certifications with in the past five years.

EXPERIENCE: One year of paid work experience; preferably with time in the restoration and cleaning industry (commercial or residential). Military experience preferred.

SPECIAL REQUIREMENTS

1. Position is contingent upon receipt of continued Department of Defense funding.
2. This position falls under the West Virginia Public Employees Retirement System (PERS).
3. Consideration will be given to all qualified applicants without regard to race, color, religion, sex, national origin, politics, age, membership or non-membership in an employee organization.
4. State positions announced by the Adjutant General are at-will employment positions. The term at-will means that the employee may be terminated at anytime without cause.
5. Applicant must adhere to pre-drug screening.
